MEMORANDUM

TO: Members of the Flandreau Santee Sioux Tribe

FROM: FSST Executive Committee

DATE: November 3, 2020

RE: November 7, 2020 General Council Meeting

The Quarterly Meeting of the Flandreau Santee Sioux Tribe General Council scheduled for November 7, 2020 is being postponed until further notice because of the large number of positive coronavirus cases in the area. This is a precautionary measure to preserve the health and safety of tribal members and the community. If the coronavirus numbers subside, the Tribe may provide notice of a meeting, and will do so with a fifteen (15) day notice.

If you would like a copy of the typical materials distributed at General Council meetings, including quarterly reports, you may request a packet from Marcie Walker, FSST Membership Services at Marcie.Walker@fsst.org, and it will be mailed to you.

As always, you are encouraged to reach out to your elected officials as constituents to ask about tribal matters, and to voice your concerns. Your cooperation and understanding of this matter are greatly appreciated.
